

STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT

State Nebraska

ORGANIZATION AND FUNCTIONS OF THE MEDICAID AGENCY

The Nebraska Department of Social Services is organized into three functional areas: Program Development and Support, Administration, and Client Services Delivery.

Program Development and Support includes Human Services, Medical Services, and Public Assistance and Food Programs. This area coordinates the development of the Department's programs, policies, and procedures.

Administration includes Client Payments and Administrative Support, Planning and Information Systems, Enforcement Services, and Legal Services. This area provides common business support services and timely information to the Department.

Client Services Delivery includes eight district offices, as well as local administrative offices and other local offices. This area delivers the Department's services to clients.
